

# Professional Learning 2017-2018

MENA Teacher Summit  
October 6-7, 2017

An initiative of the Association for Supervision and Curriculum Development (ASCD) Connected Community in the GCC, the Teacher Summit seeks to improve teaching and learning and connect education professionals throughout the MENA region to the resources provided by ASCD. Founded in 1943, ASCD is the global leader in developing and delivering innovative programs, products, and services that empower educators to support the success of each learner. The association provides expert and innovative solutions in the professional development, capacity building, and educational leadership essential to the way educators learn, teach and lead.

This regional event is a platform for teachers to engage and learn with renowned educators and scholars. Topics at the summit will address best practices in leadership, data, English Language Arts, Math and science standards implementation. The audience for this conference will include classroom teachers, heads of department, program coordinators, school administrators, and organizations active in the educational sector.

## McREL International

### **Train the Trainer**

KDSL Global will collaborate with McREL International to bring authorized facilitator training opportunities to the region. Upon completion you will be able to deliver workshops and courses to educators for a certain period of time.

### **Supporting and Sustaining Improvement and Innovation**

To increase quality assurance associated with the development and implementation of school improvement plans, and by drawing upon its strong research base in leadership and instruction, McREL International will facilitate professional learning and provide ongoing support to school leadership/improvement teams.

## Webinar Series September 2017-May 2018

Webinars provide the opportunity to learn from expert educators and authors who are based in the United States. KDSL Global offers free and paid hour-long webinars on topics ranging from literacy, mathematics, NGSS, C3, the arts and more.
