

PROFESSIONAL LEARNING 2018-2019

MENA TEACHER SUMMIT OCTOBER 5-6, 2018

An initiative of the ASCD Connected Community in the GCC, the Teacher Summit seeks to improve teaching and learning and connect education professionals throughout the MENA region to the resources provided by ASCD. Founded in 1943, ASCD is the global leader in developing and delivering innovative programs, products, and services that empower educators to support the success of each learner. The association provides expert and innovative solutions in the professional development, capacity building, and educational leadership essential to the way educators learn, teach and lead.

This regional event is a platform for teachers to engage and learn with renowned educators and scholars. Topics at the summit will address best practices in leadership, data, English Language Arts, Math and science standards implementation. The audience for this conference will include classroom teachers, heads of department, program coordinators, school administrators, and organizations active in the educational sector.

MENALEARNS PORTAL (MLP)

MENALearns will be an online learning platform for American curriculum educators. MLP will offer tools and resources connected to curriculum, instruction, assessment, professional learning, and more. This portal will launch in September 2018.

MICRO-CREDENTIALS

Micro-credentials are a digital form of certification indicating that an educator has demonstrated their application of a specific competency. Educators must apply their learning in their practice and collect a portfolio of evidence, thereby demonstrating their competence. Micro-credentials are competency-based, research-backed, on-demand, personalized, and shareable (Bloomboard for Schools).
